THANK YOU—GLASGOW RADIO and Jill Page for the interview and update on Cole's Pantry. We are proud to be teamed with Glasgow, Hinsdale, Westby, & Plentywood up on the high line—feeding kids and growing young minds.

We are proud to report the following new schools being added to our Cole's Pantry Family. Welcome advisors and volunteers. Without you, Cole's Pantry would not be possible and kids across Montana would not be receiving food to help them grow and learn.

CANYON CREEK
WESTBY/TURNER
FORSYTH

This late fall we granted holiday food grants to the following schools:

WESTBY RED LODGE
BOULDER GLASGOW

As you know our program is funded from generosity and grant donations. We are a 100% volunteer non-profit 501c3 corporation. Our team of volunteers is growing and we appreciate everyone's time and expertise. Your gifts are invaluable and our successes are because of each of you.

Your generosity continues, and for this we say **thank you**. More programs can be started and supported. More education and out-reach can be accomplished. And most importantly, more kids can be fed.
